Vision of Imports Delivery Team

FSA Mission

‘Food we can trust’

Vision of the Imports Delivery Team

To ensure continued improvements in the protection of public health from imported food and feed, through the delivery of a more effective, efficient and dynamic imports control regime.

Imports Delivery Team workstreams

1/2

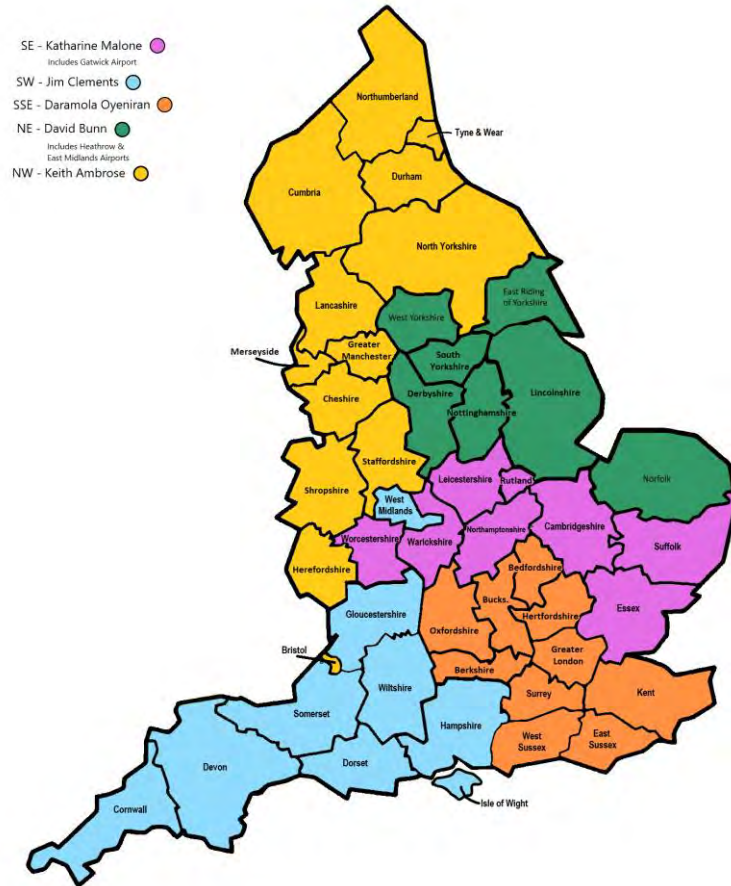

- Working with Other Government Departments e.g. DEFRA, Animal and Plant Health Agency, BPDG, HMRC, Border Force etc.
- Working with other departments within the FSA
- Four nation approach
- Grant funding to support PHA / LAs in preparation for EU controls
- Imported food surveillance grants
- Other surveillance work e.g. parcels project, inland imported food controls

Imported Food Delivery Team Workstreams

2/2

- Reviews of existing Border Control Posts (BCP)
- New BCP development and designation
- Risk Likelihood Dashboard
- Imported Food Training Programme
- Obtaining and analysing IPAFFS / HMRC data
- Monitoring PHA / LA performance (post LAEMS)
- Importer Working Group (trade associations)
- Supporting PHA / LA – queries via imported food mailbox
